

ZKC Preparation Course for the ESENePh 2025

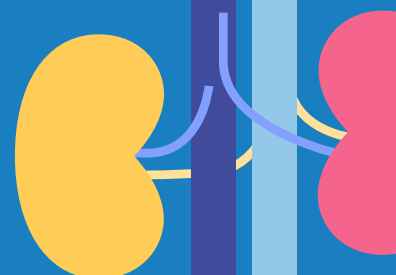

Date: Thursday-Friday 23–24 October 2025

Location: University Hospital Zurich, Schmelzbergstrasse 12, 8091 Zurich, Switzerland. **Online participation is possible!**

Course Directors:

Prof. Dr. med. Andrew Hall and Prof. Dr. med. Carsten Wagner

Cost: 500 CHF | SGN/SSN Credits: 12

This comprehensive 2-day course is designed to prepare renal trainees for the European Specialty Examination in Nephrology (ESENePh). **It includes key exam topics that candidates find most challenging.**

In the first part, the focus is on basic principles of kidney function and renal physiology. This knowledge is then applied in the second part to case discussions and practice exam questions.

Day 1 | 23 October 2025 | Basic

9.00 – 9.30	Glomerular function Prof. Dr. med. Andrew Hall
9.30 – 10.15	Proximal tubular function and diseases Prof. Dr. med. Andrew Hall
10.15 – 10.45	Break
10.45 – 11.15	Distal tubular function and potassium Prof. Dr. med. Johannes Loffing
11.15 – 12.00	Sodium and water homeostasis Prof. Dr. med. Andrew Hall
12.00 – 12.45	Calcium, phosphate and PTH Prof. Dr. med. Carsten Wagner
12.45 – 13.45	Lunch
13.45 – 14.30	Acid-base homeostasis Prof. Dr. med. Carsten Wagner
14.30 – 15.15	Potassium and acid-base disorders Prof. Dr. med. Nilufar Mohebbi
15.15 – 15.45	Break
15.45 – 16.30	Hyponatremia/polydipsia Prof. Dr. med. Andrew Hall
16.30 – 17.15	Hereditary kidney diseases Prof. Dr. med. Ruxandra Bachmann-Gagescu

Day 2 | 24 October 2025 | Applied (case discussions)

9.00 – 9.45	Renal stones Dr. med. Alexander Ritter
9.45 – 10.30	Kidney disease in pregnancy Dr. med. Isabelle Binet
10.30 – 11.00	Break
11.00 – 11.45	Glomerular disease Prof. Dr. med. Britta George
11.45– 12.30	Renal bone disease and anemia PD. Dr. med. Marco Bonani
12.30– 13.30	Lunch
13.30 – 14.15	Dialysis Prof. Dr. med. Stephan Seeger
14.15– 15.00	Transplantation Dr. med. Dusan Harmacek
15.00 – 15.30	Break
15.30 – 16.15	Pediatric kidney diseases Prof. Dr. med. Wesley Hayes
16.15 – 17.00	Acute kidney injury PD Dr. med. Harald Seeger

Online
participation is
possible!

Registration: Kathrin Meier, kathrinjohanna.meier@uzh.ch
